PIONEER NEWS SERVICE ■ NEW DELHI

From 7 per cent in 2009 to 9.6 per cent in 2024, the number of female candidates contesting the Lok Sabha elections saw a steady rise in 15 years, according to an analysis by the poll rights body Association of Democratic Reforms (ADR). This year, 797 women are in the fray, constituting 9.6 per cent of the total 8,337 candidates. This marks an increase from previous general assembly elections which recorded female representation of 9 per cent in 2019, 8 per cent in 2014, and 7 per cent in 2009, the analysis by the Association of Democratic Reforms (ADR) showed.

In the 2009 Lok Sabha elections, there were 556 female candidates, making up 7 per cent of the total 7,810 candidates. This number increased to 640 (8 per cent of 8,205) in 2014 and further to 797 (9 per cent of 7,928) in 2019.

This year, the Bharatiya Janata Party (BJP) leads among the major parties with 69 female Lok Sabha nominees out of 440, making up 16 per cent of its total candidates.

The Congress follows with 41 women out of 327 candidates, constituting 13 per cent. Significantly, smaller parties and regional players exhibit higher proportions of female candidates. For instance, the Naam Tamilar Katchi has an equal gender representation with 20 out of 40 candidates being women, translating to 50 per cent. The Lok Janshakti Party (Ram Vilas) and the Nationalist Congress Party each have 40 per cent female candidates, with two out of five being women.

Among prominent parties, the All India Anna Dravida Munnetra Kazhagam (AIADMK) and the All India Forward Bloc have the lowest levels of female representation at 3 per cent. Unpredictable import, export policies caused losses to farmers: Congress

PIONEER NEWS SERVICE ■ NEW DELHI

The Congress on Wednesday claimed that farmers have suffered huge losses due to "unpredictable" import-export policies of the Modi Government and asserted that under an IJMDA Bloc Government such policies would be decided only after consultations with farmers and their organisations.

Congress general secretary Jaishankar Ramesh said the Congress has given five guarantees to the farmers - legal guarantee for Minimum Support Prices (MSP), loan waiver, transforming PM Fasal Bima Yojana, new import-export policy and making farmers GST-free.

"On import-export policy, I want to say that we need to put restrictions on imports and encourage exports. We ban exports repeatedly like the ban on export of rice is not in favour of the farmers in Punjab and it is benefiting the farmers of Pakistan," Ramesh said in a video statement on X.

The Congress has given a guar-

antee that the import-export policy will be decided only after consultations with farmers and their organisations, the Congress general secretary said, adding imports and exports should be beneficial for farmers not traders.

In his post on X along with the video statement, Ramesh said farmers have suffered huge losses due to the "unpredictable" import-export policies of the Modi Government.

"The Congress has guaranteed that we will make a concrete law on import and export of agricultural products which will support farmers and farmer organisations and increase their income," he said.

The Congress' Lok Sabha polls manifesto has stated that it will formulate and implement a sound import-export policy for agricultural commodities, which will give paramount importance to protecting the interests and concerns of farmers.
