### **1) Impact on Business:**

The COVID 19 has severely impacted the global economy. The economic impact of the COVID-19 in India has been substantial and broad-based. Due to lockdown and aggravation of COVID 19 pandemic the demand of products and services across all the sectors in India impacted. The impact of demand of products/services varied according to the nature of Industry. The Pharma and healthcare Industry has also impacted due to COVID 19 to the limited extent.

### **2) Ability to maintain operations:**

Our Manufacturing Plant was largely under operation under the given circumstance, and the activities were measured and performed under strict adherence to the guidelines prescribed by the relevant and competent authorities. However this pandemic is an evolving challenge, which needs to be monitored closely with the ever changing landscape.

**3) Schedule, if any for starting operation:** The Company has attempted to mitigate the impact of this pandemic on its Operations through strict adoption of the prescribed Health and Safety Guidelines of the Honorable State and Central Governments. Work from Home facilities have been provided to team members as per the recommendations of the Authorities. At the Plant level, Operations have been undertaken keeping all requisite considerations of Health and Safety at the forefront.

**4) Step taken to ensure smooth functioning of operations:** Sanitization of entire plants and compliance of Guidelines issued by MHA and State Government of Rajasthan.

**5) Estimation of Future impact of COVID-19 on its operations:** Given the depth and spread of the pandemic in India and overseas, it is difficult to estimate with any surety or certainty the future prospects. Since the situation is an evolving one, the ramifications will have to be faced and addressed through close monitoring. However our best case estimate is that we do not foresee any material impact on our Operations. This will be better known in due course.

### **6) Details of impact of COVID-19 on Listed Companies's on Capital & financial resources, profitability, liquidity position, ability to service debt, assets & Internal Financial Reporting and Control & Estimation of Future Impact:**

The Company has evaluated and considered to the extent possible the likely impact that may arise from COVID-19 pandemic as well as all event and circumstances upto the date of approval of financial results on the carrying value of its assets and liabilities. Based on the current indicators of future economic
